

From the Chair

Welcome to 2012 and may I take this opportunity of wishing you all a healthy, happy, and peaceful New Year.

It is good to start on a high and I wish to do that by congratulating our long-time Membership Records Officer Mrs. Lorna Baker. Lorna came to the Executive Committee back in September with a proposal regarding the manipulation of the database to enable membership renewals for 2012 to be conducted on-line. There were at that time 1412 records showing an email address so it was decided it was worthwhile to go ahead. It has indeed gone smoothly and we have saved a considerable amount of money on postage - and time for our hard-working colleague. Please remember to keep Lorna informed of any changes in your email address, as this is essential to keep the system working well.

There are other "backroom staff" who keep the cogs moving in our organisation, namely, our Initial Enquiries Officer, Rita Webster-Carr, Equipment Officers Mike Ford and Brian McAteer and *Links* Distribution Officer Ken Cliff. May I take this opportunity to thank them all for their hard work and dedication to their respective posts.

When we join any U3A we belong to a voluntary organisation. This means that the task of running it is done by people who are not paid but are enthusiastic members who give up their time and energy to do this important work. Without them there would be no SU3A. At the moment we have a particularly excellent group of Coordinators who put their shoulders to the wheel and help to run one of the biggest and best U3As in the country. Our debt to them is huge but we can not, nor should we, expect them to be Coordinators indefinitely.

Time moves on and another generation needs to come through to take on roles and take over the lead. However, volunteering does not have to mean a huge commitment of time and effort. Simple things like helping with the administration of the Group, being an online "buddy", putting out chairs for meetings, helping to serve refreshments for your Group or at the monthly "Drop In", being on hand at special events are all important ways of volunteering. We can all do our bit to help make things run smoothly.

Cover picture: Walking Group B celebrate 20 years. See page 24

Being a member of SU3A means giving as well as taking. At the beginning of a new year I am focusing on the need for everyone to help in some way. You can always have a chat with anyone on the Executive Committee (see the inside front cover of *Links*) if you would like some guidance about how you can help or if you have an idea that would benefit us all. I am sure you will gain pleasure from doing your bit.

We are also looking for your help in another way: to move forwards with our website and publicity information. With 2011 behind us now our Web Coordinator Clare Chiba is about to produce an archive link for photographs of the Jubilee year's events for us to look back on and remember. This leaves a lot of blank space on the web page so please send her your latest photographs of your Group's happenings and outings. Pat Battams, our Publicity Coordinator, is also wanting new photographs to use on the display boards that she takes to open and outreach meetings. This is also a good way for you to publicise and recruit for your Group.

There is not enough space here to tell you of all the new events that are happening in the organisation. The best way to keep up to date is by reading *Links* and visiting the website. Also, remember to renew your membership if you have not yet done so and, if you have email, do not forget to pick up your new number in your email box. Finally, always book early for events, trips and outings if possible as they are very popular and we do not want YOU to miss out.

Executive Committee Report

A very happy New Year to all our members from the Executive Committee.

Notice of Annual General Meeting is on page 4. There is also a nomination form for the Executive Committee on page 5. We need two new general Committee members this year, so please would you give it serious consideration? If you want to know more, Denise West or Vera Dyer would be pleased to talk to you.

Membership Renewal Reminder

If you have not yet renewed your membership, a Membership Renewal Form is on page 6. As mentioned in December *Links*, this year you can get your new membership number even faster if you let our Membership Records Officer, Lorna Baker, have your email address (if you have one, of course!).

We are pleased to report that this new system is working well. Some members have supplied their email addresses and appear not to have received their new membership number, so we suggest that, if it is not in your inbox, it might be in your spam box.

If you do not have email or prefer not to give this information, you will still receive your new membership number by post.

The **SU3A Executive Committee Development Plan 2012 – 2013** is ongoing and will be available after the March Executive Committee meeting.

Deputy Links Editor

As a result of the advertisement in December *Links*, we are pleased to let you know that Jennifer Forster (Jen) has agreed to take on the role. Jen, we welcome you aboard.

Summer Schools

This year the summer schools take place 16-19 July at Harper Adams and 20-23 August at The Royal Agricultural College. These summer schools are very popular so you need to get your application in soon to avoid disappointment. Further details about the subjects and how to apply are on page 7.

Askham Bryan event, celebrating the 30th anniversary of the founding of U3A in the UK, is in August this year. So far only three Groups have shown interest in taking part. While some Groups might be suffering from "event fatigue", following our main Silver Jubilee event at Wortley last June, as the biggest U3A in region it would be great to have more representation there.

Date of the next Executive Committee meeting is 2 March 2012.

Lunch and Lecture

You are invited to lunch at the **Doubletree** by Hilton Sheffield Park Hotel, Chesterfield Road South, Meadowhead, Sheffield S8 8BW on **Friday 16 March 2012**

Speaker: Professor Melvin Jones –

The Remarkable Gatty Family

They lived in a vicarage in a Yorkshire village, spent much of their time writing, endured poor health and were amongst the best known authors of the nineteenth century and their name was not Brontë.

The village was Ecclesfield and the family were connected to such illustrious nineteenth century figures as Admiral Lord Nelson, Ruskin, and Lord Baden Powell, to name but a few. Joan and Mel Jones have put together an impressively researched account of the members of the Gatty family and you will be amazed at their findings. Come and listen to their account of the lives of this talented family and their connection to what is now north Sheffield.

Please arrive at 12.00 for 12.30 pm. Cost **£15.50**.

There is ample parking and the number 53 bus from bay A3 at the Sheffield Interchange stops outside the Hotel. The number 75 bus from Ecclesfield via High Street stops near the Hotel at Meadowhead.

The menu will be: Roulade of Pork; loin of pork wrapped around a sage, onion and apricot stuffing with apricot sauce.

The vegetarian option is: Roasted Vegetables en Croute; vegetables roasted with honey and whole grain mustard, wrapped in puff pastry.

The dessert is: Baked Mascarpone and Fresh Berry Cheesecake.

If you would like to book a place, please fill in the form on page 25 and send it, with a cheque, to arrive no later than Friday 2 March 2012.

Can You Help?

Why do our children appear to have such a poor relationship with the environment? What is behind their inability to engage with it? Why do they not know how to dress for it, interact with it, enjoy it, treat it well?

Perhaps our increasing engagement with digital media - especially social network sites - is one of the underlying causes of our children's inability to engage.

Perhaps we perceive nature as a threat to our children. Why is that? Is nature really dangerous or have we just lost touch?

What do you think?

Would you be willing to help me find out?

Could you, and two generations of your family, spare a few minutes to complete a survey?

Study Day

The Family in British Art

Tuesday 24 April 2012, 10.30 am - 3.30 pm

The Arundel Room, Millennium Galleries

Refreshments from 10.00 am

"A family well disposed" – representations of relationship and status in painting, from the 18th century onwards

The Study Day will be led by Dr Barbara Morden and is being run in conjunction with the exhibition "The Family in British Art" at the Millennium Galleries. The aim is to use some of the paintings in the exhibition to affirm the argument that in portraying the family there were, and continue to be, conventions determining both the pictorial representations of figures in a setting and the viewer's role in interpreting, affirming or perhaps challenging the assumptions implied there.

Barbara Morden is a cultural historian, lecturer and writer on the visual and literary arts. She led the successful regional study day in August 2011 on "John Martin: Painter of Apocalypse" when her audience found her to be a knowledgeable and inspiring speaker.

Tickets (which include tea or coffee on arrival) cost **£7.25** and are non-refundable. Members should make their own arrangements for lunch. See page 29 for the application form.

Places will be allocated in order of receipt. The event will be advertised to neighbouring U3As from March onwards if there are unfilled places.

Group News

Observations from General Coordinator and two particular requests to our Coordinators.

“Send to the address below for your membership application form. The 3000th applicant will be awarded a FREE year’s membership....”

No, that is not Sheffield U3A. It is one over on the wrong side of the Pennines from us. So that is how to drive up recruitment! So it may be that U3A and Peterborough have a slightly bigger membership ... is bigger better?

Let us leave that argument to those with a surfeit of testosterone.

Whatever, we are BIG. We have a huge number of Groups and a very cheap annual membership fee. If it were not for the input, energy and organisational efforts of our Group leaders, the Coordinators, the big-ness would be spineless - we could not exist to serve the retired community in Sheffield.

If you were lucky you saw the fruits of our Coordinators’ and members’ work at our Wortley Hall extravaganza last June, universally acclaimed as a great day out. I am too young at 72 to know about the **Askham Bryan** event in 2007, but people who were there talk about that event in the same ecstatic terms.

Well, **Askham Bryan** is coming up again on August 15 2012 - this year. This time it will be not just Sheffield but also U3As from all over Yorkshire and Humberside. Our nimble Country Dancers and our beautiful-Quilt Makers are exhibiting, and your Committee is standing by to organise coaches for travel there.

Exhibitors will have expenses paid. If you and your Group want to exhibit contact me, General Coordinator, for more details.

That is the first request dealt with.

Second request: we are a BIG organisation, and servicing it requires a Committee and various functionaries. There is a database to maintain to enable smooth running of the Groups and looking after expenditure and giving support in emergencies. And emergencies do occur. (Continued on page 21)

We also run two meetings for Coordinators each year. Our database (Microsoft Access) handles data on each of our 178 Groups with 41 fields recorded. That is 7,298 entries where mistakes can be made.

Think about it Therefore, here comes the second request.

Two enthusiastic volunteers sought.

Are you interested in the workings of our whole organisation?

Can you contribute to planning the agendas for, and the delivery of, the Coordinators' Meetings?

Can you meet with me, say, three times a year, to maintain and refine the accuracy of our database and general record-keeping?

Do you have special skills to involve yourself in the networking and sometimes the social care of our Groups?

Do you want to be part of a revision team providing guidance to Coordinators?

If all or any of your answers are yes then please contact me to discuss the ideas.

Meanwhile, a very happy and healthy 2012 to all.

Note our **Spring Coordinators' Meeting** will be at the Friends Meeting House on Tuesday March 13, starting (by popular request) at 10 o'clock, tea and coffee being served at 10.50, (NOT before the meeting).

Hope to see Coordinators there.

Other Group News

Classical Concertgoers' Group

Derek Shipley has organised concert visits for U3A members over the last fifteen years ably assisted by his wife Maureen and a small committee. He feels it is now time to pass on the baton and sadly other members of the committee are also retiring in June 2012.

Those of us who have enjoyed music in Manchester, Birmingham and Leicester are very grateful to Derek for the opportunity he has given us to visit these splendid halls and appreciate very much the musical knowledge he has passed on to us during our coach journeys. Therefore I am keen to keep this wonderful tradition going.

So far three of us have stepped forward to form a new committee. However we need more help. We would welcome two or three interested individuals to join us in planning a programme of visits and assisting in the booking and routine organisation of these events.

In particular we require the services of a TREASURER to bank the cheques and keep the financial record. So if you have enjoyed Concertgoers' and do not want to lose the Group (open to all members) please get in touch for more information with either:

Pamela Sandford (0114) 236 1815 or

Derek Shipley (0114) 236 6257

Personal Finance Group

New members are most welcome to our monthly Monday afternoon meetings held at Shirley House, Psalter Lane.

Not being financial experts ourselves, we do sometimes invite outside speakers but we also benefit from the input and experiences of members.

Our Spring Programme:-

Monday February 20: Saving in Retirement

Monday March 19: Home Insurance

Please contact Helen Marsh, Coordinator, on (0114) 230 1622

Today's World Group:

This And That

What do the following have in common? Nuclear Energy and its potential, Reform of the House of Lords, Diversity & Human Rights, The Compensation Culture, The Media and the Truth, The EU and the Euro?

Answer, they are all suggested topics for us to discuss at forthcoming meetings of the Today's World Group. Our first meeting this Autumn was partly taken up with planning for the year ahead and there were other questions suggested too. Is inequality a good thing? Can we ever achieve peace? Has trust gone or did it ever exist? Has technology such as Apple has introduced made the world a better place?

"Oh dear", some might think when they see the list, "that is a rather heavy agenda". For some perhaps, but for us it provides a rich list from which to build our programme and we do not have anywhere enough time to discuss all the proposals. In any case, our discussions can be light-hearted and amusing as well as serious and they are always enjoyable.

So, which topics did we choose?

(continued over)

The next five meetings will be concerned with Science in Today's World, The EU and the Euro, The Second Chamber, Nudge Theory and Diversity and Human Rights. That should keep us occupied and stimulated.

Walking Group B

On the November 27 2011 Walking Group B celebrated their 20th Birthday.

I wonder if the people who formed our walking Group in 1991 realised just what they were starting. What a debt we owe them, for this has been, and continues to be, a very successful Group and a source of great pleasures and friendships.

At our AGM this year five of our founder members posed for this photograph with the essential birthday cake.

They are from left to right Mike Lavelle, Margaret Barlow, Benny Sutherland, Faith Crotty and Ken Sutherland.

On the front cover Ken Sutherland does the honours with the cake.

Jesus and Christianity

The Group has 13 members and more would be welcome. In the four meetings so far we agreed to work at the basic documents about Jesus so we studied the earliest Gospel, Mark, and the basic teaching in the Sermon on the Mount/Plain.

This Spring we are sharing a pile of surveys of the contemporary Judaic and Hellenistic/Roman world. Part of our method is to each choose a book and report on it - others then take it if interested. Lively discussions take place as we have very varied views.

If you are interested in joining us please contact John Vincent on (0114) 243 6688

Visit to South Yorkshire Churches

Tuesday 15 May 2012

We plan to visit four relatively local churches and to have lunch provided by the parishioners of All Hallows, Harthill.

Leaving Ecclesall at 9.20 am and the Interchange at 9.30 am. We will begin our exploration at St Giles Killamarsh, proceed to St Peter's, Thorpe Salvin, lunch at Harthill and conclude our visit at St Peter and St Paul, Todwick before returning to Sheffield.

With the help of our guide Pat McCloughlin, latterly of "Heritage Inspired", we hope to increase our knowledge of the architecture and history of these and other churches with their Saxon preaching cross, stained glass by Kempe, Jacobean box pews and Norman carved font, to eat a good lunch and have a thoroughly enjoyable day. Fine weather would of course be helpful.

We hope to leave for Sheffield at 4.00 pm.

The cost for the day will be **£21.00**. This includes travel, gratuities, admissions and lunch.

To reserve a place, please complete the form on page 31 and send it together with a cheque made payable to **Sheffield U3A Travel** and a small, stamped addressed envelope to: Val Wiley, 112 Button Hill, Sheffield S11 9HJ

Margaret Bullivant and Val Wiley.

Visit to Peterborough Cathedral and Deene Park

Tuesday 17 April 2012

We will leave Ecclesall at 7.45 am and the Interchange at 8.00 am to journey to Peterborough.

When we arrive at the Cathedral you will be free to explore this magnificent Norman construction dating from the early thirteenth century with its fine West front, medieval-painted fan-vaulted ceiling and the tomb of Katharine of Aragon.

There is a Cathedral café where you can buy coffee etc. and, if time permits, the city museum is nearby. We need to be at the Cathedral's Almoners' Hall at 12.30 pm for lunch.

At 1.30 pm we will leave for Deene Park of which we will have a guided tour. Deene Park is a sixteenth century house modified in the reign of George III, the seat of the Earls of Cardigan amongst whom was the Earl who led the Charge of the Light Brigade in 1854.

There is a large collection of art, furniture and porcelain besides memorabilia of the Crimean war. Afterwards you may explore the spectacular gardens and visit the Deene Park café.

We will leave promptly at 4.45 pm for our return to Sheffield.

The cost is **£28.00**. This includes travel, gratuities, admissions and lunch.

To reserve a place, please complete the booking slip on page 29 and send it with a cheque made payable to **Sheffield U3A Travel** and a small, stamped addressed envelope to Val Wiley, 112, Button Hill, Sheffield S11 9HJ, as soon as possible.

Visit to The Crich Tramway Village and Strutt's North Mill, Belper

Tuesday 1 May 2012

Our late spring visit is a mixture of local nostalgia and a glimpse of the industrial and social revolution 150 years ago which placed Britain at the forefront of British innovation and technology.

First, we visit the Crich Tramway Village, which shows how urban public transport developed in the late 19th and early 20th centuries, starting with horse-drawn trams which later developed into modern electric tramways. The visit includes an introductory talk, a visit to the museum and unlimited scenic rides on their recreated tramway system, using old currency to pay the conductor for your ticket. You will be able to visit a traditional 1900 sweetshop, explore the visitor centre, enjoy a cup of coffee and stroll along the woodland walk to the sculpture park.

A short drive takes us to Belper where we have included a buffet lunch at the Lion Hotel, ready for the afternoon visit to the Strutt's North Heritage Museum. Here, after an introductory film, we have a guided tour of the museum in small groups. We see how water power transformed the Derwent Valley, enabling cheap textiles to be produced and factories to be built along the river, providing regular employment in a traditionally agricultural area. We see houses built by the Strutt's family to house their workers in conditions far ahead of their time. If the weather is fine there will be an opportunity for a short walk by the river Derwent to the River Gardens, created by the Strutt's family for the enjoyment of their workers.

The visit finishes with tea and biscuits at the museum, before the return to Sheffield.

The inclusive cost is **£26.00**. Applications may be made using the slip on page 31 and should be sent as soon as possible to Derek Shipley, 40 Wollaton Avenue, Sheffield, S17 4LA, including a small stamped addressed envelope. Please include the first name and surname of each person for whom you are applying.
